The Cause of Many Sudden Deaths.

There is a disease prevailing in this
country most dangerous because so decep-
tive. Many sudden
deaths are caused
by it—heart dis-
ease, pneumonia,
heart failure or
apoplexy are often
the result of kid-
ney disease. If
kidney trouble is
allowed to advance
the kidney-pois-
oned blood will at-
tack the vital organs, causing catarrh of
the bladder, or the kidneys themselves
break down and waste away cell by cell.
Bladder troubles almost always result
from a derangement of the kidneys and
a cure is obtained quickest by a proper
treatment of the kidneys. If you are feel-
ing badly you can make no mistake by
taking Dr. Kilmer's Swamp-Root, the
great kidney, liver and bladder remedy.
It corrects inability to hold urine and
scalding pain in passing it, and over-
comes that unpleasant necessity of being
compelled to go often through the day,
and to get up many times during the
night. The mild and extraordinary
effect of Swamp-Root is soon realized.
It stands the highest for its wonderful
cures of the most distressing cases.

Swamp-Root is pleasant to take and is
sold by all druggists in fifty-cent and
one-dollar size bottles. You may have a
sample bottle of this wonderful new dis-
covery and a book that tells all about it,
both sent free by mail. Address, Dr. Kil-
mer & Co., Binghamton, N. Y. When
writing mention reading this generous
offer in this paper. Don't make any
mistake, but remember the name, Swamp-
Root, Dr. Kilmer's Swamp-Root, and the
address, Binghamton, N. Y., on every
bottle.
